

TESOL Greece 2nd Tripolis Professional Event (17th October 2010)

www.THANK_YOU_TRIPOLIS.gr

The 2nd Tripolis professional event is yet one more reason for TESOL Greece to feel proud of its events, its presenters and most importantly of its faithful TESOLers! Special thanks are due to Eftichis Kantarakis, Dr. George Ypsilandis and of course Evridiki Dakos who "clicked on" **www.tech-teaching.gr** and navigated us through the various fascinating paths of technology and its use in the EFL class. An excellent event for those wishing to learn even more about the use of ICT or for the "doubting Thomases" around us, the 2nd Tripolis event and your presence and support there impressed us! We promise to be back next year with more ideas and surprises and, of course, yet another trip to the picturesque villages of Arcadia.

Attendees' Comments

Thank you TESOL Greece for the 2nd Tripolis Event! The presenters, the organisers, the sponsors (and kyria Giota's applepie) helped us ignore the rain and have a great time! See you all next year for the 3rd Tripolis Event! (Ansa Lakioti on Facebook)

We had "A Great Event"! Lucky to be here. Tripolis is very beautiful and colleagues in Greece are WONDERFUL. Excellent hospitality and sharing. Thank You TESOL Greece! And I had the last present from Tripolis itself. "A wonderful rainbow" after a rainy day a few minutes before I leave for Athens. Thank you Tripolis and long live TESOL Greece!
